Welcome to the show!

ROCKSTARZ is an incredible experience for the senses! Four Rock legends in costume (Slash from Guns and Roses, Nikki Sixx from Motley Crue, Peter Criss from KISS, Brett Michaels from Poison) performing a high energy rock show featuring a play list of hits from the eighties to today. Lady Ga Ga to Michael Jackson, Guns and Roses to Motley Crue, including the newest dance hits and rock anthems.

The members of ROCKSTARZ are experienced professional musicians/entertainers who have toured with some of the biggest tribute bands in the country, including Wild Side (Motley Crue), Love Gun (KISS) and Guns 4 Roses. These groups have toured extensively, performing at Casinos, Festivals, Fairs, Corporate Functions and the nation's top night clubs from Las Vegas to Dallas, Los Angeles to New York. ROCKSTARZ utilizes top notch gear and the latest technology in concert sound, lighting and special effects, emulating some of the most talked about and memorable concerts of all time. ROCKSTARZ also brings the element of professionalism, fun, positivity and excitement.

ROCKSTARZ' goal is to create a circus like atmosphere with a giant backdrop of stars, neon fluorescent colors on stage; props, gear, and costumes appropriate to their characters. "We are bringing fun back to rock. We want to bring the kid out of each of our audience members enticing them to let inhibitions go for a few hours and take them on a thrill ride they will want to come back for again and again." Cat Jackson, founder, leader and creative director.

We invite you to hire our carnival of rock for Venue, special event, casino or private function. You will be glad you did!
